

The Northamptonshire Baby Room Project© Parents Course was devised by:

Veronica Lawrence, Specialist Senior Educational Psychologist Early Years;
 Claire Stevenson, Birth to Three Adviser; Sharon Ryan, Birth to Three Adviser.

We have written this **facilitator's manual** in a way that is hopefully easy to understand and use so that you can create your own Northamptonshire Baby Room Project© Parents Course.

"We invite you to use this facilitator's manual imaginatively as a way of inspiring everyone working and living with babies. We encourage you to experiment with the materials adding your own creative twists and quirks. We are confident that The Northamptonshire Baby Room Project for parents can increase parents' knowledge base, excite and inspire parents to reflect on how they relate to their baby.

May you enjoy this programme and allow your enthusiasm to inspire parents and babies."

Veronica, Claire and Sharon
